In a world where fear and hopelessness are commonplace, where children are sold, tortured and desperate to know someone out there cares, we must stand up and act.

Through Angels of Hope and Tees for Angels, we wish to reach out and embrace all these children in Love and let them know we do care. Our vision is to bring Hope through the message of the Angels, "Do not be afraid. You are not alone."

Today, somewhere in the world, crouches a child, sobbing quietly and hugging the corner of a shack, lost and afraid that she might be the next innocent child to be snatched and sold into a future that is devoid of hope and for which there is no escape.

Child trafficking, rape and exploitation of the most vulnerable population, HIV and AIDS, famine, disease, torture, horrendous poverty, and suffering all exist right now for so many children and adults on this planet.

We firmly believe that within us all is an unlimited power to care, to get up and open to that courage inside, to do something to make a difference, to really care about other human beings, and to truly live compassion through service.

We will continue to send wooden Angels of Hope to orphanages, clinics, safe houses and other facilities, along with colorful Love is Real t-shirts, Angel Coloring Books and mini cards.

We know together we can do something extraordinary. We can offer Love and Hope through the Angels and Love is Real t-shirts. Please join us on this journey and let us all be inspired as this miracle unfolds.
