Angel Tidings Volume 3 No. 3

Angels of Hope is a non-profit project offered through the Angel Workshop at Heartlight Center. Through Angels of Hope, we wish to present to each and every children's hospital, nursing home, hospice house, and other facilities that wish, an Angel of Hope. We continue this endeavor one step at a time with the vision that those in need will know the love that these Angels of Hope represent. It is our deepest desire that through this project - soon hope will spread and no one will feel alone.

4th Annual Angels of Hope Garage Sale, Silent Auction, & Bake Sale

Heartlight Center held its 4th Annual Garage Sale, Silent Auction, and Bake Sale for Angels of Hope on July 29, 30, and 31, 2010. There were 79 community sponsors offering their services, equipment, and products to make this such a successful fundraising event. Thanks to the generosity and kindness of our sponsors, and the participation of hundreds of people who attended, we raised \$4500 for Angels of Hope, \$1000 more than any of our previous events.

With these funds, are be able to produce and ship 116 more Angels! We have already placed Angels of Hope in Nursing Homes, Children's Hospitals, Hospice House, Rehabilitation Center, Ronald McDonald Houses, and other facilities in every state in this country, as well as Washington D.C., at no cost to them. They are standing there with their age old message: "Do not be afraid. You are not alone." Our many thank you notes attest to the difference these Angels are making in so many lives.

This is only the beginning, as we strive now for our greater goal, to place an Angel of Hope in every facility that would like one. So it is with grateful, happy hearts, and in the name of all the residents, families, staff, and visitors in these facilities, whose lives will be touched through these Angels, that we continue this venture of Love.

What's New?

Updating Website: in process

We are happy to announce that our new website design went to the webmaster the first of June, so you will soon see all the new content. We hope you will take some time to check it out from time to time and watch it grow! Enjoy all the new activities!

Angel Quotefalls

The letters in each vertical column go into the spaces above them, but not necessarily in the order they appear. A black square indicates the end of a word. When you have placed all the letters in their correct squares, you will be able to read a quotation across the diagram from left to right.
