

# Summer 2008 **Angel Tidings** Volume 2 No. 2

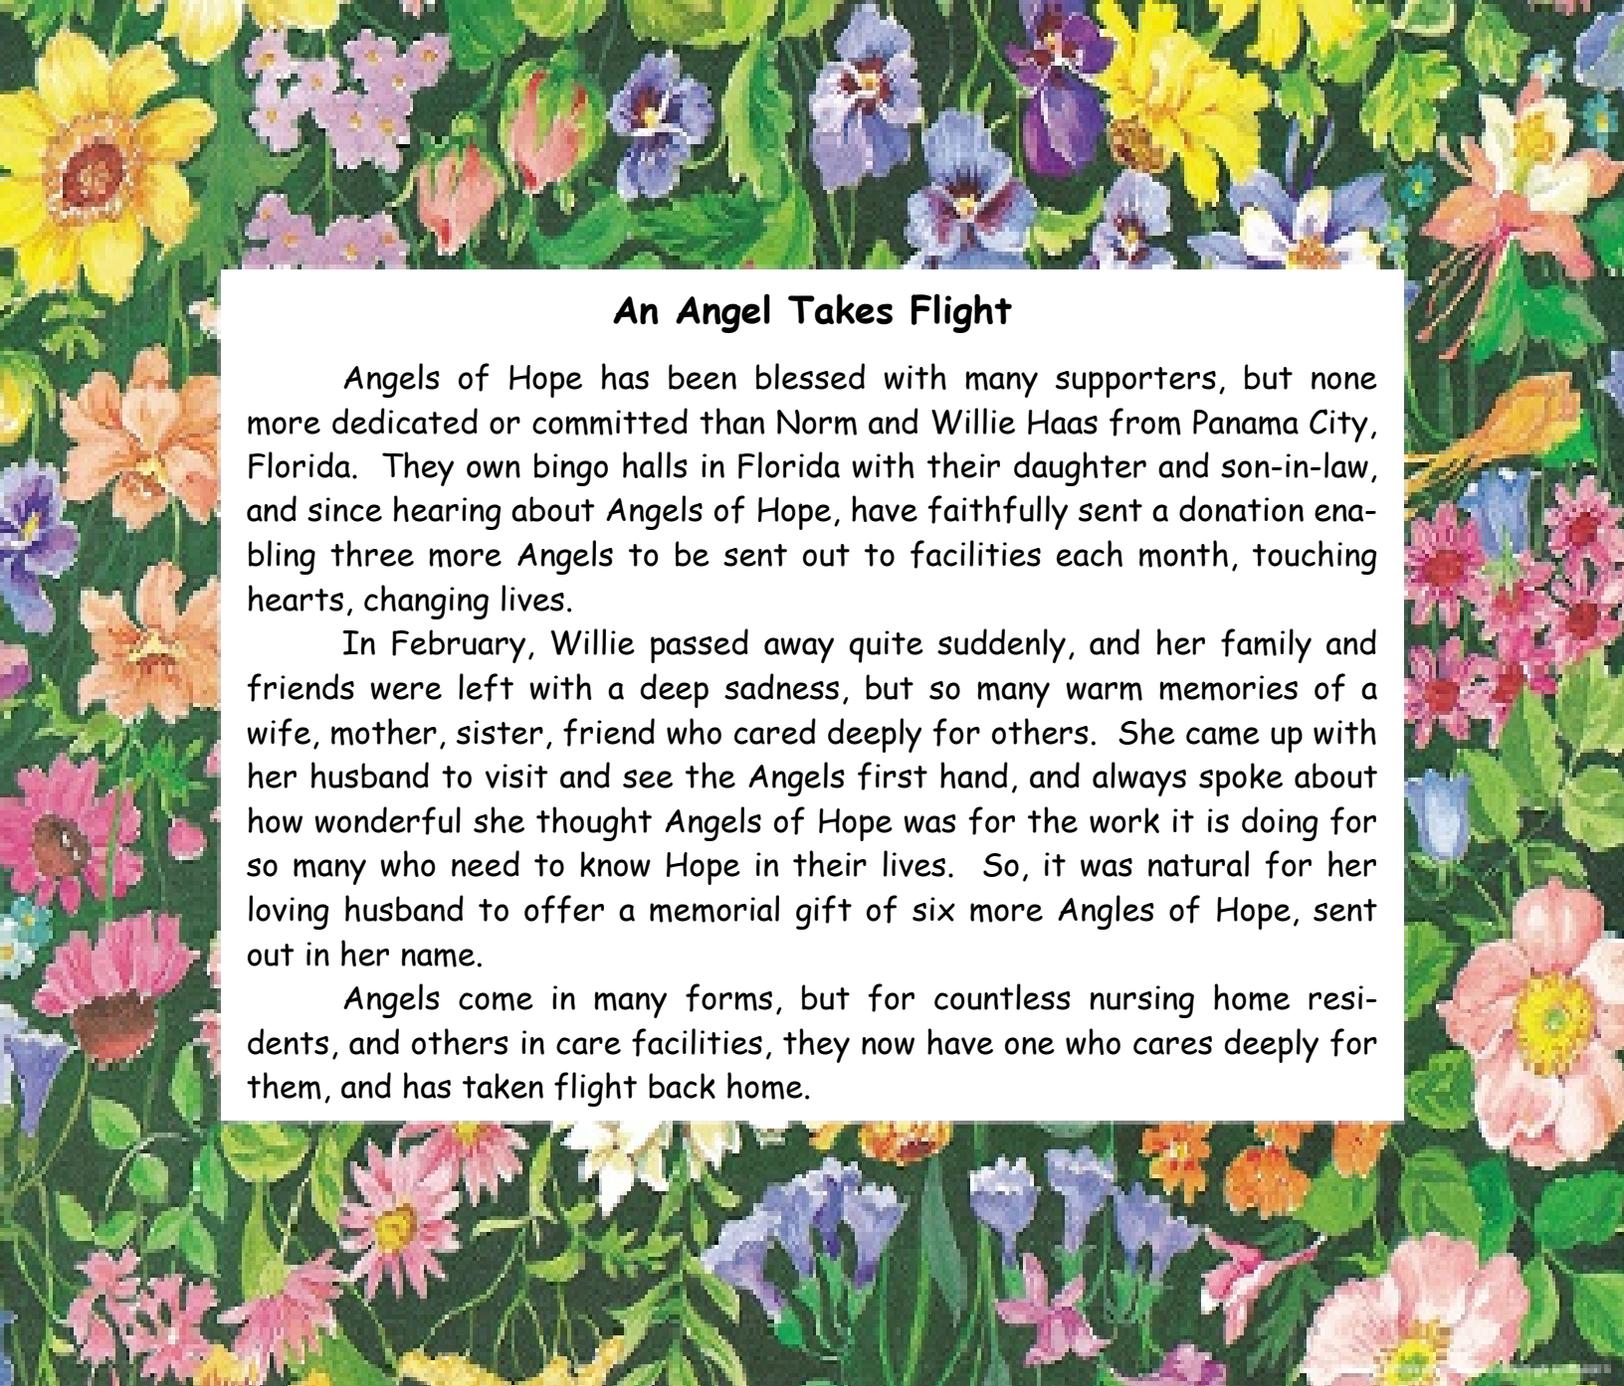

Angels of Hope is a non-profit project offered through the Angel Workshop at Heartlight Center. Through Angels of Hope, we wish to present to each and every children's hospital, nursing home, hospice house, and other facilities that wish, an Angel of Hope. We continue this endeavor one step at a time with the vision that those in need will know the love that these Angels of Hope represent. It is our deepest desire that through this project - soon hope will spread and no one will feel alone.

There are only two ways to live your life.  
One is as though nothing is a miracle.  
The other is as if everything is.  
Albert Einstein

With Summer here, we are shown once more, the miracle and glory of life being expressed in fullness. For those who find themselves living in nursing homes, or hospitals, or receiving care in hospices or rehabilitation centers, it may be harder to see the miracle in their lives. But it is there!

Angels of Hope continues its work reminding one and all that we all matter, and we can stand tall, with heads up, knowing we are loved and cared for, and that we are not alone. We are all a part of the awesome beauty, the miracle, of this Summer.

## An Angel Takes Flight

Angels of Hope has been blessed with many supporters, but none more dedicated or committed than Norm and Willie Haas from Panama City, Florida. They own bingo halls in Florida with their daughter and son-in-law, and since hearing about Angels of Hope, have faithfully sent a donation enabling three more Angels to be sent out to facilities each month, touching hearts, changing lives.

In February, Willie passed away quite suddenly, and her family and friends were left with a deep sadness, but so many warm memories of a wife, mother, sister, friend who cared deeply for others. She came up with her husband to visit and see the Angels first hand, and always spoke about how wonderful she thought Angels of Hope was for the work it is doing for so many who need to know Hope in their lives. So, it was natural for her loving husband to offer a memorial gift of six more Angles of Hope, sent out in her name.

Angels come in many forms, but for countless nursing home residents, and others in care facilities, they now have one who cares deeply for them, and has taken flight back home.

From Andi at the Ronald McDonald House in Hines, IL—Thank you for the comfort to the families staying at the House. Over 7000 families have stayed at the House since its opening in July 1995. Thank you for helping.

From Malena at Southwest Indian Foundation in Gallup, NM—"Greetings" from the staff of the Southwest Indian Foundation. I would like to thank you for your generous donation.
