Angel Tidings Volume 3 No. 2

Angels of Hope is a non-profit project offered through the Angel Workshop at Heartlight Center. Through Angels of Hope, we wish to present to each and every children's hospital, nursing home, hospice house, and other facilities that wish, an Angel of Hope. We continue this endeavor one step at a time with the vision that those in need will know the love that these Angels of Hope represent. It is our deepest desire that through this project - soon hope will spread and no one will feel alone.

Angels Across the Country

As this newsletter is written, we are ever-closer to our goal of having an Angel of Hope in every state and the District of Columbia. Currently, there are Angels in 42 states, and one in Washington D.C. Some states have a few, and a few states have many. You will soon be able to track our progress on Angel Placements on our new website, currently being constructed. There will be a Google map showing all of the states and how many Angels of Hope are in each state. There will also be one where you can see if there is an Angel of Hope at the nursing home where

your grandmother lives, or the veteran's home where your Dad got his care, or the children's hospital or Ronald McDonald House where you were when your child was treated for his or her illness. If they don't have one and you think they should, you can sponsor an Angel to be placed there in your loved one's name, and know that your simple gift will keep on offering the priceless gifts of Love and Hope to countless families just like yours who are going through challenging times.

What's New?

Updating Website: in process

We are happy to announce that our new website design went to the webmaster the first of June, so you will soon see all the new content. We hope you will take some time to check it out from time to time and watch it grow! Enjoy all the new activities!

Grants Update

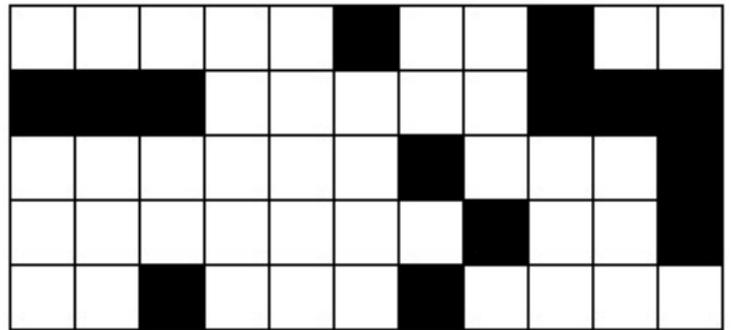

We have applied for several grants to support the development and expansion of Angels of Hope so that we might reach our goal of offering an Angel to every facility that would like one. Hopefully, we'll start receiving our responses soon. We still plan to send out more in the future. You can look in upcoming newsletters to check on our progress.

4th Annual Garage Sale Fundraiser

Angels of Hope will be having its 4th Annual Garage Sale, Silent Auction, and Bake Sale on July 29, 30, & 31. Donations welcome. Hope you can join the fun and support the Angels!

Angel Quotefalls

The letters in each vertical column go into the spaces above them, but not necessarily in the order they appear. A black square indicates the end of a word. When you have placed all the letters in their correct squares, you will be able to read a quotation across the diagram from left to right.

You're Invited to Share Your Angel Story

We would love to hear from you if you have a story to tell about an Angel of Hope and the difference that she has made or is making in your life or the lives of the patients, residents, staff, families, and visitors. It might inspire others to share in the work, including individuals, families, service clubs, corporations, and foundations. It might help a reader to remember that they too are not alone, and that the Angels are here for all of us, lighting our way through our darkest hours, and carrying us back into the light of Hope and Love.

You can submit your stories by email sent to info@theangelworkshop.com. You can also call us at 269-651-2234, or mail your story to Angels of Hope, 67138 Shimmel Rd., Sturgis, MI 49091. We look forward to hearing from you.

Thank you for your gift of our Angel.
